Features

Food is frozen with chilled, recirculating air, while expelling humidity. As a result, the freezer is always free of ice, ensuring long-term freshness.

Lengthen the shelf life and preserve the flavor of your foods with a dual refrigeration system that creates ideal conditions in both the refrigerator and freezer.

Liebherr's automatic IceMaker produces perfect ice cubes and keeps a constant supply on hand for every occasion.

Store food securely within reach thanks to fully extendable pull-out drawers. The SoftTelescopic system provides convenient and reliable self-retraction with soft closing.

^{**} Noise output - according to EN 60704-3
