

EU declaration of conformity regarding energy consumption according to (EU) 2019/2019

Energy Label (EU) 2015/1094

Applied standard EN16825

## Product information sheet

|                                 |   |
|---------------------------------|---|
| Supplier's name or trade mark   | LIEBHERR  |
| Supplier's address              | Liebherr-Hausgeräte GmbH<br>Memminger Straße 77-79<br>88416 Ochsenhausen<br>Germany |
| Model identifier                | FRFCvg 4001_993599651   |
| Type of refrigerating appliance | professional refrigerated storage cabinet   |
| Design                          | 1 - Vertical Chilled  |

### Electrical data

| Parameter     | Value   | Parameter      | Value |
|---------------|---------|----------------|-------|
| Voltage (V ~) | 220-240 | Frequency (Hz) | 50    |

### General product parameters

|                                   |        |                            |                                   |     |
|-----------------------------------|--------|----------------------------|-----------------------------------|-----|
| Overall dimensions (millimetre)   | Height | 1884                       | Net volume (dm <sup>3</sup> or l) | 289 |
|                                   | Width  | 597                        |                                   |     |
|                                   | Depth  | 654                        |                                   |     |
| EEl                               | 49.70  | Energy efficiency class    | C                                 |     |
| Energy consumption (kWh/24)       | 1.48   | Climate class <sup>1</sup> | 5                                 |     |
| Annual energy consumption (kWh/a) | 540    |                            |                                   |     |

<sup>1</sup>) **Climate class 3:** This appliance is intended for use in ambient temperatures up to 25 °C and is therefore not suitable for use in hot large-scale catering establishments.

**Climate class 4:** This appliance is intended for use in ambient temperatures up to 30 °C.

**Climate class 5:** This appliance is intended for use in ambient temperatures up to 40 °C.
