

EU declaration of conformity regarding energy consumption according to (EU) 2019/2024  
Energy Label (EU) 2019/2018  
Applied standard EN 16901

## Product information sheet

|                                                                                                                                             |                                                                                     |
|---------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Supplier's name or trade mark                                                                                                               | LIEBHERR                                                                            |
| Supplier's address                                                                                                                          | Liebherr-Hausgeräte GmbH<br>Memminger Straße 77-79<br>88416 Ochsenhausen<br>Germany |
| Model identifier                                                                                                                            | EFE 4652_993168251                                                                  |
| Use                                                                                                                                         | Display and sale                                                                    |
| Type of refrigerating appliance with a direct sales function                                                                                | Ice-cream freezers                                                                  |
| Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV | ICFT                                                                                |

### Electrical data

| Parameter      | Value   | Parameter             | Value |
|----------------|---------|-----------------------|-------|
| Voltage (V ~)  | 220-240 | Connection rating (A) | 2.5   |
| Frequency (Hz) | 50      |                       |       |

### General product parameters

|                                   |        |                                                                 |      |
|-----------------------------------|--------|-----------------------------------------------------------------|------|
| Annual energy consumption (kWh/a) | 777.82 | EEl                                                             | 39.8 |
| Energy efficiency class           | D      | Recommended temperature setting for optimised food storage (°C) | -18  |

### Ice-cream freezers with transparent lid

| Net volume (dm³ or L) | Ambient conditions for which the appliance is suitable |         |                             |         |
|-----------------------|--------------------------------------------------------|---------|-----------------------------|---------|
|                       | Temperature range (°C)                                 |         | Relative humidity range (%) |         |
|                       | minimum                                                | maximum | minimum                     | maximum |
| 340                   | 16                                                     | 35      | 80                          | 75      |

### Light source parameters

|              |                          |                         |
|--------------|--------------------------|-------------------------|
| Light Source | Lighting technology used | Energy efficiency class |
| 1            | LED                      | F                       |

**Additional information**

---

Minimum duration of the guarantee offered by the manufacturer: 24 month

---

Additional information: -
