IMPORTANT LIEBHERR INFORMATION

LIEBHERR OFFER A STANDARD 5 YEAR WARRANTY

All Liebherr appliances are covered by full 5 year (60 months) parts and labour warranty. Andi-Co Australia Pty. Ltd. warrants that if any part in the domestic product fails due to a defect in materials or workmanship during the 5 year (60 months) warranty period commencing from the date of invoice to the Customer, Andi-Co Australia Pty. Ltd. will provide free of charge, all labour and related service costs to replace the defective part. The warranty is valid on the condition that Liebherr appliances are installed in full accordance with the manufacturers installation instructions and in a tradesman-like manner, otherwise guarantee will be void. Where applicable, Liebherr appliances must be installed by a qualified electrician or plumber. Failure to produce documentary proof of approved installation will negate the 5 year (60 month) warranty.
