Features

German Engineering

Our superior products offer premium quality, cutting edge design, and innovative features that best fit your lifestyle. The use of high quality materials, perfectly detailed finishes, and elite cooling components are combined with the latest production processes, resulting in an outstanding cooling product.

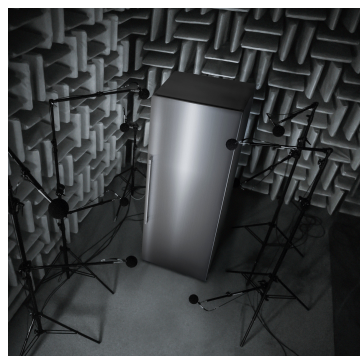

NoFrost

The Monolith also impresses with maximum comfort at sub-zero temperatures. Its NoFrost technology always keeps the freezer compartment free of ice and prevents food from becoming covered in frost. It makes defrosting a thing of the past.

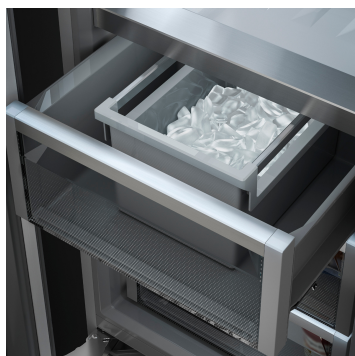

SmartDevice

Your Liebherr may well be standing in the kitchen – but if you want, it can also be connected to the Internet at any time. The SmartDeviceBox opens the door to all the Smart Home benefits. Simply plug it in, switch it on and connect your Liebherr to the network via WiFi. The Monolith is supplied with a SmartDeviceBox.

SuperQuiet

Noise levels are kept to a minimum thanks to virtually silent, speed-controlled, and sound absorbing compressors. Alongside a low noise cooling circuit, these features ensure exact performance, energy efficiency, and SuperQuiet operation.

IceMaker

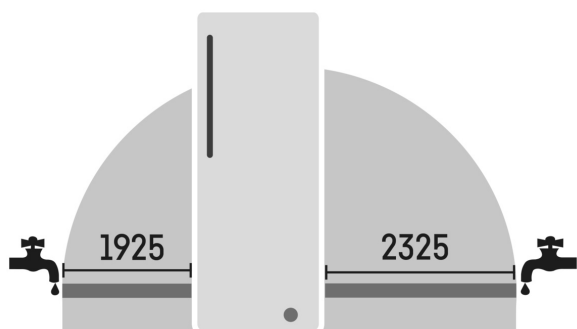

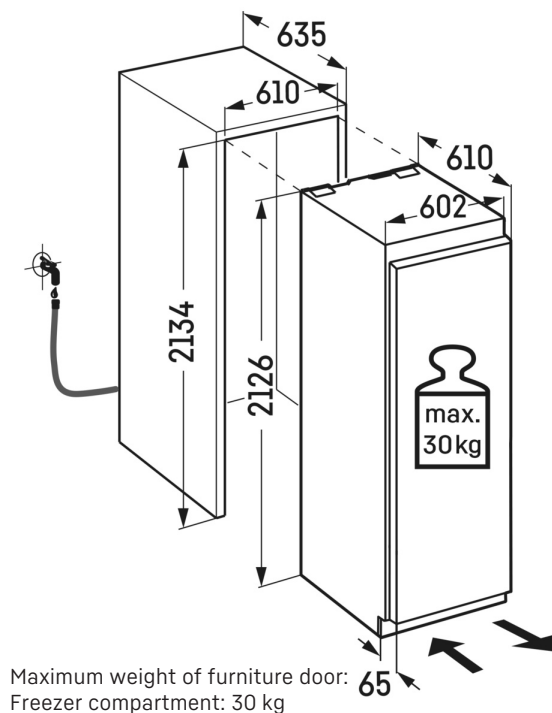

Monolith's automatic IceMaker produces 1.6 kg (3.5 pounds) of filtered ice in 24 hours. Activate the SuperFrost function for an even greater production capability. With a 1.8 kg (4-pound) storage capacity, you'll never be without.

InfinitySwipe

For a touch more comfort, the user-friendly InfinitySwipe electronic touch control with a bright and clear 3.5-inch display can be operated intuitively and effortlessly via touch & swipe.
