ICNh 5123

Plus

Specifications

Total Usable Volume Litres	253 litre
Fridge compartment	183 litre
Freezer compartment	70 litre
Temperature rise time	9 h
Freezing capacity in 24 hours	6 kg
Climate rating	SN-T (+10°C to +43°C)
Noise output	34 dB(A)
Frequency/voltage	50-60 Hz / 220-240 V~
Connection Rating	1.4 A 183 W

Fridge compartment

Forced air system	FreshAir activated charcoal filter
Interior light	LED ceiling light
VarioSafe	yes
Fruit and vegetable bins	1 EasyFresh-Safe on running rails
Bottle shelf	3 bottle shelf

Freezer compartment

Defrosting	automatic
Number of drawers	3 drawers, VarioSpace
Ice cube tray	1

Type of appliance

Type	Built-in for integrated use
Door assembly	Door on Door

Dimensions

Height	177.2-178.8 cm
Width	56-57 cm
Depth	min. 55 cm

Features

Interface	SmartDeviceBox: optional accessory (Anticipated arrival July 2022)
Door hinges	right, reversible
EAN-Nr.	4016803078876

Fully Integrated

Features

NoFrost

When you open your freezer, you want to see frozen food – and certainly not ice and frost. NoFrost protects the freezer compartment from unwanted icing, which consumes a lot of energy and can be expensive. NoFrost means no more tedious and time-consuming defrosting of the freezer compartment, more time for other things – and saving money.

EasyFresh

The guarantee of market freshness in the home is our EasyFresh-Safe. Whether it's unpackaged vegetables or fruit, this ensures optimal storage for everything. Thanks to the air-tight closure, the food causes the humidity in the safe to rise. This keeps the food fresh for a long time.

DuoCooling

DuoCooling uses two completely separate refrigeration circuits to ensure no air is exchanged between the fridge and freezer compartments. The food neither dries out nor is odour transferred. This means throwing less away, shopping less often, but saving more and greater enjoyment.

Touch display

Fingertip control: the touch display enables easy and intuitive operation of your Liebherr. All functions are clearly arranged on the display. By gently tapping a finger, for example, you can easily select the functions or check the current temperature of your refrigerator.

SmartSteel rear wall

The rear wall in elegant SmartSteel gives your Liebherr a stylish look and feel. Your food will also love SmartSteel as stainless steel is food-safe and hygienic. SmartSteel also reduces the visibility of fingerprints – making the appearance even more pleasing.

SoftSystem

From breakfast to a midnight snack – a fridge needs to be open and closed on many occasions. And your Liebherr makes this a lot of fun. With the SoftSystem, your fridge door closes softly and safely, and in a way which is pleasantly quiet and light. Bottles stored in the inside door remain securely in place – nothing rattles or wobbles.
